Mood Tubes 100% pure essential oil inhalers contain high quality ingredients selected both for their pleasing aromas and their mood enhancing properties.

The size of lip balm tubes, **Mood Tubes** are portable and fit easily in the smallest purse or pocket. Enjoy personal aromatherapy privately--anywhere, any time. Mood Tubes can be used at work when you're stressed, in your car where you may experience fatigue or frustration, even to warm the passions in the bedroom. They can cheer, soothe, balance, awaken and uplift. You can even cycle through a number of Mood Tubes--just because they smell good and they're fun. A variety of benefits seem to follow quite naturally.

Experiment with **Mood Tubes**! They are wonderful gifts that "keep on giving" and they can last at least 1 to 2 years, providing the caps are replaced after use.
